Sacramento Metropolitan Fire District

2101 Hurley Way • Sacramento, CA 95825-3208

September 15, 2004

Dear Firefighter-EMT/Firefighter-Paramedic Candidate,

Congratulations in successfully passing the Panel Oral Interview Examination for the Firefighter-EMT/Firefighter-Paramedic recruitment process.

The next phase of this process is the Candidate Physical Ability Test (CPAT), developed by the International Association of Firefighters and the International Association of Fire Chiefs to assist in this evaluation. This is a structured test process designed to evaluate whether candidates possess the minimum level of fitness to enter training for the demanding occupation of a Firefighter.

The CPAT is scheduled for Saturday, October 9 and Sunday, October 10, 2004 at McClellan Park, 2409 Dean Street, Building 686. See attached map. Refer to the list below for your scheduled date and time by your code (First initial of your last name and last four digits of your social security number). Rescheduling of your exam date and time will not be allowed.

Please be prepared to spend approximately three (3) hours at the CPAT. To participate in this physical ability test, you must wear comfortable clothes with the following requirements: Long pants and non-slip shoes are required. Open toe and open heel shoes will not be allowed. Candidates that appear without the appropriate attire will not be allowed to participate in the test events and will be deemed to have failed to complete the testing process.

On the day of the CPAT examination, you must arrive at the test site no more than fifteen (15) minutes before your appointed time. Photo ID is required for sign-in. After sign-in, you will be given an opportunity to participate in a warm-up and stretching period. You will then be given instructions regarding the test procedure before entering the testing area. After you have completed your test, you will be sent to a cool down area where your vitals will be taken and further information will be given before your release from the test site.

Paramedic Certified Candidates – Paramedic Assessment Center
Following the CPAT successful Firefighter-Paramedic candidates will be scheduled and provided with information for their Paramedic Assessment to be given the week of October 11, 2004. Candidates excused from the CPAT will have information mailed to their home.

If you do not wish to continue with this testing process, please contact the Human Resources Division at 916-566-4433. We thank you for your interest in becoming a part of our team and hope that you find this process a valuable first step in a long and healthy fire career.

Please remember that an important part of the overall testing process is your ability to follow instructions. As all information pertaining to this recruitment process is available on the District's website, we ask that you refrain from calling the Human Resources Division and from discussing this testing procedure with those who are not part of this process.

The Human Resources Division
Sacramento Metropolitan Fire District
